THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the Inhabitants of the Town of Hinsdale qualified to vote on Town affairs:

You are hereby notified to meet at the Town Hall, on Tuesday, the 12th day of March, 1957, at nine o'clock in the forenoon, to act on the following subjects:

Article 1. To cast your ballots for all necessary town officers.

Article 1A. To see if the provisions of Chapter 171-A of the Revised Laws relative to playing games of beano shall be adopted in this town.

(Polls are open on the above articles from 9:00 A. M. to 6:00 P. M.)

Action will be taken on the following articles beginning at 9:30 A. M.

Article 2. To see if the Town will vote to accept and adopt the report of the Selectmen, auditors and other town officers.

Article 3. To see how much money the town will vote to raise and appropriate for the payment of ordinary town charges, for the maintenance of the fire department, for highways, and for all other necessary expenses arising within the town. (*See Budget)

Article 4. To see if the voters will authorize the Selectmen and Town Treasurer to borrow a sum or sums not exceeding in the aggregate \$80,000.00 in anticipation of the collection of taxes for the current municipal year, and to issue in the name and on the credit of the Town negotiable notes therefor, said notes to be repaid during the current municipal year from taxes collected within the current municipal year.

Article 5. To see if the Town will vote to raise and appropriate the sum of \$391.96 to which the State will contribute \$2,613.06 to be expended on Class 5 roads. (Town Road Aid)

Article 6. To see if the voters will authorize the removal of the following positions from the non-partisan ballot: Tax Collector, Road Agent, Chief of Police and Fire Chief; these offices to be filled by appointments by the Selectmen, such appointments submitted to the Planning Board for confirmation before becoming effective. This will make these town officers directly responsible to the Board of Selectmen; or act in any manner thereon.

Article 7. To see if the voters of the Town of Hinsdale will vote to affirm the fact that all Town Officers, whether appointed or elected, are responsible to the Selectmen for the proper performance of their duties.

Article 8. To see if the Town will vote to have the financial accounts of the Town audited by the State Municipal Accounting Department, or act in any manner thereon.

Article 9. To see what action the Town wishes to take, if any, in regard to appraisal of Real Estate by representatives of the State Tax Commission.

Article 10. To see if the Town will vote to raise and appropriate the sum of \$5,214.21 to refund the overdraft of the 1956 winter account of the Highway Department of \$4,663.46, and the overdraft of \$550.75, on the cost of building the Tomb at Pine Grove Cemetery; or act in any manner thereon.

Article 11. To see if the voters of the Town of Hinsdale will vote to require all officers and committees of the Town, whether appointed or elected, to perform their duties within the budget or special appropriations allocated to them and that such amounts are not to be exceeded without the express permission and approval of a majority of the Selectmen.

Article 12. To see if the Town will raise and appropriate the sum of \$500.00 for the purpose of rebuilding the garage at the playground or act in any manner thereon.

Article 13. To see if the Town will raise and appropriate the sum of \$2,800 (Twenty-eight hundred dollars) to pay the exchange price between the present loader used by the Highway Department and a new tractor equipped with loader and scraper; or act in any manner thereon.

Article 14. To see if the Town will vote to raise and appropriate the sum of \$1,900.00 to purchase an automobile to replace the present automobile now used by the Public Health Nursing Service; or act in any manner thereon.

Article 15. To see if the Town will vote to raise and appropriate the sum of \$6,000.00 to continue town water and install two hydrants from the so-called Plain Road to the residence of Ernest Nolin, a distance of twelve hundred feet (1200 ft.), or act in any manner thereon.

Article 16. To see if the Town will authorize the Selectmen to borrow on the credit of the Town a sum not to exceed Two thousand eight-hundred dollars (\$2,800) for the purposes of cleaning, repairing and painting the 250,000 gallon water tank that supplies the Town; or act in any manner thereon.

Article 17. To see if the Town will vote to raise and appropriate a sum not to exceed Thirty-six thousand dollars (\$36,000) for the purposes of constructing a sewer line in said Town on Brattleboro Road, starting at High Street to Plain Road; on Highland Avenue from Brattleboro Road to Langille's apartment house, on Cottage Street a distance of 300 feet to the house occupied by Julia Jasienowski, to replace the surface drain now taking sewage, and to authorize the Selectmen to borrow Thirty-six thousand dollars (\$36,000) on the credit of the Town and to issue and sell notes and bonds in the name of and on the credit of the Town under and in accordance with the Municipal Finance Act of the State of New Hampshire and any amendments, relating thereto, and to authorize the Selectmen to fix the time and place of payment of the principal of said notes and bonds, and interest thereon, and the principal amount of each note or bond and to sell said notes or bonds and to take such other action with respect thereto as may be necessary or advisable.

17(A) If the above article is accepted by the Town, to see if the Town will appoint a committee to carry out the project.

Article 18. To see if the Town will vote to establish Zoning and Building Regulations to a depth of 500 feet on each side of all Town accepted Streets, Roads and State Highways, within the Town Boundaries; or act in any manner thereon.

Article 19. To see if the Town will vote to have the Planning Board organized under State Statutes; or act in any manner thereon.

(A) To elect three members of the Planning Board if the above is not adopted.

(B) To appropriate the sum of \$500 to cover Planning Board expenses.

Article 20. To transact any other business that may legally come before this meeting.

Given under our hands and seal in said Hinsdale this 15th day of February, 1957.

CLIFFORD D. STEARNS,
RICHARD P. ROUILLARD,
BERNARD P. PELECH,

Selectmen of Hinsdale.

A true copy of Warrant—Attest:

CLIFFORD D. STEARNS,
RICHARD P. ROUILLARD,
BERNARD P. PELECH,

Selectmen of Hinsdale.

LIBRARY REPORT

Hours open per week	20
Total circulation	21,204
Adult Fiction	8,893
Adult Non-fiction	1,652
Juvenile Fiction	5,966
Juvenile Non-fiction	2,939
Magazines	1,724
Average daily	83
Percent of Fiction	70

The adult circulation is not as high as last year but in the last few months it has shown an upward trend. The children's circulation continues to rise and this is important as they are our future readers. A child who loves to read is never bored and he holds a magic passport to all the strange and wonderful corners of the globe. He can travel westward with the covered wagons and even take a trip through outer space. No place is too far distant to reach through the medium of reading. We hope that more and more children will take advantage of the library to find what fun it is to read.

It is with regret that we notice that the percent of fiction has increased slightly since last year. There are so many fine non-fiction books in the library, it seems a pity that they are not used more.

The library is fortunate in being able to supplement its reading material with bi-monthly visits from the State Library Bookmobile. These extra volumes are much appreciated by our readers.

Books that are badly soiled and worn are discarded during the year. It is most desirable that better care be taken of the books in the homes in order that they may be returned to the library in good condition. Every year books are lost and/or

forgotten. If your bookcase contains one or more of these "missing" volumes, won't you please return them so that others may have the pleasure of reading the books that you enjoyed but forgot to return.

On July 31, 1956, Mrs. Luella M. C. Streeter, who had been our librarian for nearly thirty years, resigned for reasons of ill-health. She is much missed by the library patrons. Her position was filled by the appointment of Miss Sylvia E. Fletcher who had been Mrs. Streeter's assistant over a period of years. The librarian will endeavor to carry on the excellent work of her predecessor and will try to give the same efficient service to the public.

Respectfully submitted,

SYLVIA E. FLETCHER,

Librarian.

	<hr/> \$276,073 84

Upon final acceptance of this project by the Engineers and the Supplemental Water Supply Committee, two thirds of the total amount withheld will be paid the contractors and 5% withheld from the Engineers will be due and payable.

One third of the amount withheld will be retained for one year from date of final acceptance to protect the town against defective materials and workmanship.

LEO GRATTON,
Treasurer, Supplemental
Water Supply Committee

A SUMMARY OF THE NORTH HINSDALE WATER SYSTEM

During the summer and fall of 1956, the town of Hinsdale undertook an extensive water supply project. A little more

than 9 miles of 8 and 10 inch asbestos pipe were installed throughout the distribution system of North Hinsdale, including a $2\frac{1}{2}$ mile interconnection to the old Hinsdale system via Plain Road. The distribution system includes mains on Plain, Oak Grove, Oxbow, Monument and Brattleboro Roads.

The water supply is a 62 foot well, 8 inches in diameter, drilled at the edge of the town's gravel bank on Meeting House Road. A more than ample supply from the Lily Pond watershed is pumped at the rate of 200 gallons per minute by a 15 horsepower motor. The pump is water lubricated, and can be operated manually or operated by an automatic control regulated by a pressure impulse setup by the reservoir water level or line pressure. The pump, together with all its controls and meter recorder, are housed in a brick veneer, heated pump-house.

A 250,000 gallon steel tank, located on the hillside near the Harold Bernier Farm on Plain Road, acts as a balancing reservoir and maintains pressure and flow for the distribution system. This tank will provide a six day supply of water for the inhabitants of North Hinsdale. At present 136 $\frac{3}{4}$ inch copper water services are installed for 122 houses and 14 lots.

The water mains incorporate 56 valves to isolate certain sections in case of a break and to direct the flow as desired. North Hinsdale will be protected with 48 fire hydrants. These have been placed in accordance with the National Board of Fire Underwriters, so that no house frontage will be more than 500 feet from a fire hydrant. Consideration was also given to their placement so that they would act as air releases at high points or hills and as blow-offs at low points and at ends of lines.

At the intersection of Oxbow and Monument Roads, a pressure regulating valve reduces the pressure so that excessive pressures won't be encountered in the low lying Brattleboro Road Area. Also a similar valve has been placed on the lower end of Plain Road north of Cottage Street on the interconnecting line to the old system to prevent the overflow of the old steel reservoir which is almost 100 feet lower than the new one. This will prevent excessive pressures in Hinsdale proper, and will automatically allow water to come from the new system to the old when a heavy demand such as fire or increased

consumption is encountered. This usage will be metered to give a complete picture of the two systems. The interconnection will relieve the 24 hour operation during the summer months of the filter plant which has a limited capacity due to the filter bed size. The North Hinsdale System will be a benefit to both North Hinsdale and Hinsdale proper.

PUBLIC HEALTH NURSE

The following is my report for the period between January 1, 1956 and December 31, 1956.

No. of cases were:

Non-communicable	485
Communicable	78

Of these were:

Infant	21
Preschool	14
School	403
Adult	130
Crippled Children	21
Tuberculosis, to clinics	9
Prenatal	4
Newborn	8
Postnatal	5

The total No. of field visits were:	1,380
Office visits	180
Cases admitted	347
Cases discharged	325

In February the first of three toxoid clinics was held in the community room. The attending physicians at these clinics were Dr. Edmond LaChaine and Dr. John J. Doyle. The following received toxoid shots: infants 7, preschool 47, school 46. 27 children also received vaccinations.

On April 4th the first clinic for polio vaccine shots was held in the community room and at the elementary school. On July 25th and Oct. 10th two more clinics were held in the community room, as well as two make-up clinics. Both Drs. Edmond LaChaine and John J. Doyle were the attending physicians. A total of 548 children up through age 19 and pregnant mothers received one or two inoculations at these clinics.

My report of school activities follows:

There were 177 days when school children received attention. The No. of times children were seen, were 3,553 at school and 116 at home.

The following cases were:

Pediculosis	33
German Measles	31
Pink eye	4
Impetigo	2
Whooping Cough	1
Chicken Pox	1
Diphtheria	1
First Aid	34
To Speech Clinic	1
To Tuberculosis Clinics	6
To Orthopedic Clinics	12

Regular inspections were made for pediculosis. Children and school personnel were taken to two tuberculosis clinics, and children taken to six Crippled Children clinics. Throat cultures were taken, and inoculations given to a group of children in February.

In May a meeting was attended in Manchester on the discussion of the Mental Handicapped children in schools.

The Annual Physical Examinations were started in the fall, Dr. Edmond LaChaine as Physician. There were 413 examined. The following defects were found.

Enlarged or diseased tonsils	12
Poor Teeth	76
Nutrition, underweight or overweight	15
Heart Murmur	3
Asthma	1
Nervous System	2
Orthopedic	1

Hearing tests were given 259 pupils, 18 having some hearing loss, an increase over last year possibly due to unfavorable conditions for giving the tests.

Vision tests were given 504 pupils, 64 having defective vision. It has been noticed the last two or three years, that pupils with a slight or no apparent defect in eyesight, develop serious trouble in high school especially the junior high grades.

The annual school nurses meeting was attended in October, and a district meeting in Keene in December, on the discussion of the hard of hearing child.

I wish to thank everyone for their help and cooperation given during the year, without which many of the clinics etc. would not have been possible.

Respectfully submitted,

GRAIS E. CHURCHILL, R. N.

REPORT OF THE HINSDALE PLANNING BOARD

At the Planning Board meeting on April 18, 1956, Jackson Tupper was elected chairman and Mrs. Hattie Greenwood was elected secretary. Resignations were received from Earl Clark and Henry Northrup. The members voted to select candidates for these vacancies from sections of town that were not already represented on the board. Russell O'Neal was elected from the Highland Ave. section to complete the unexpired term of Earl Clark and Mrs. Lillian Ellis from Canal St. to complete the unexpired term of Henry Northrup. Each of these terms expire in March, 1958.

Six meetings were held during the year when recommendations were made to the Selectmen regarding the removal of the Eagle Iron Foundry, posting of signs prohibiting the throwing of trash along the highways; Main St. parking, and School warning signs.

On November 13, Clifford D. Stearns and Bernard Pelech of the Board of Selectmen were present at the meeting to discuss zoning regulations which will be needed soon.

At the February 5th meeting, it was decided to insert an article in the Town Warrant to see if it could be determined whether or not members would be chosen at the Town Meeting or would the board be organized under State Law of New Hampshire. The members of this board feel that a State Charter would be a great benefit to the functions of this board as their power is greatly limited in this advisory capacity which they are now allowed. The members of the board are: Jackson Tupper, Henry Crosby, and Edward McCormick whose terms expire in 1957; Mrs. Hattie Greenwood, Mrs. Lillian Ellis, Russell O'Neal in 1958; Rev. Norman R. Farnum, Louis Pollard, Russell Garfield in 1959.

ANNUAL REPORT

of the

SCHOOL BOARD

of

Hinsdale School District

for the

FISCAL YEAR

JULY 1, 1955 - JUNE 30, 1956

In Memoriam

JESSE W. FIELD

In the passing of Jesse W. Field, the town of Hinsdale lost one of its best loved citizens. Mr. Field was genuinely interested in town affairs, particularly those involving the schools. For forty years he served the school district first as board member and later as treasurer with an unselfish devotion. His broad experience, good judgment, and wise counsel was invaluable to the school authorities. He was keenly concerned with the youth of the town and spent time and energy unstintedly and unreservedly in their interest.

With increasing sense of the loss suffered through his passing, the Hinsdale School Board hereby records with profound sorrow the death of Jesse W. Field on May 13, 1956.

Furthermore, be it resolved that this expression of sympathy and appreciation be sent to the family and also spread upon the records of the Hinsdale School District.

HAYDEN C. AMIDON,
MARGARET G. STREETER,
WILLIAM F. STETSON, JR.,
School Board.

CHESTER C. LEES,
Superintendent of Schools.

In Memoriam

MARION J. POWERS

With deep sorrow, the death of Mrs. Marion J. Powers on May 12, 1956, is hereby recorded by the Hinsdale School Board. Mrs. Powers had some eight years of teaching experience in the Hinsdale Schools.

As a teacher, Mrs. Powers worked long and diligently for the welfare of her pupils. She was always striving to make her instruction as nearly perfect as humanly possible.

As a citizen of the town, she maintained a lively and healthy interest in community affairs. She was imbued by a desire for service and her clear insight and keen wisdom made her contributions both to the schools and to the town all the more valuable.

The Hinsdale School Board therefore resolves that this expression of sympathy and appreciation be sent to the family and also spread upon the records of the Hinsdale School District.

HAYDEN C. AMIDON,
MARGARET G. STREETER,
WILLIAM F. STETSON, JR.,
School Board.

CHESTER C. LEES,
Superintendent of Schools.

Extract from the proceedings of the adjourned annual meeting of the Hinsdale School District held in the Town Hall at Hinsdale at 7:30 P. M., May 16, 1956.

The meeting was called to order by the moderator, Paul V. Chamberlin, at 7:30 P. M. who asked that the assembly rise for one minute of silent prayer in memory of the late Marion J. Powers and Jesse W. Field.

Mr. Roland O'Neal then presented the following resolution which was unanimously accepted and adopted:

Whereas, we, the voters of the Hinsdale School District, in meeting duly assembled, have learned of the unfortunate death of the esteemed Jesse W. Field, and

Whereas, Jesse W. Field for many years served the Hinsdale School District with honor and distinction

NOW THEREFORE BE IT RESOLVED, that we, the voters of the Hinsdale School District, do through this means express our thanks and appreciation to the family of Jesse W. Field for the many years of his life that he has devoted towards the welfare of the Hinsdale School System, and we do also herein express our sincere sympathy; and

BE IT FURTHER RESOLVED, that the Clerk of the Hinsdale School District include this resolution in the minutes of this meeting and in the next annual report of the Hinsdale School District and send to the family of Jesse W. Field, a certified copy of this resolution and the vote taken thereon.

THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the School District in the town of Hinsdale qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the ninth day of March 1957, at two o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
6. To choose Agents, Auditors, Committees in relation to any subject embraced in this warrant.
7. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
8. To hear the report of the school planning committee and to see if the district will vote to retain the present committee and instruct it to continue the study of the problem of school housing for Hinsdale, or take any action thereon.

9. To see if the district will raise and appropriate the sum of six hundred dollars (\$600.00) for the purpose of constructing a driveway around the north side and rear of the elementary school addition and landscaping the grounds of the elementary school addition.

10. To see if the district will authorize the school board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the U. S. Government and/or State Agencies.

11. To see if the voters will vote to elect a Budget Committee consisting of five members to advise the School Board on the annual budget and to approve the budget items before they are submitted to the voters of the town for their approval. (Inserted by Petition)

Given under our hands at said Hinsdale, this fifteenth day of February, 1957.

HAYDEN C. AMIDON,
WILLIAM F. STETSON, JR.,
MARGARET G. STREETER,

School Board.

Hinsdale Elementary School

REPORT OF SCHOOL PLANNING COMMITTEE

Feb. 14, 1957

At the last annual school meeting on March 10, 1956, it was voted to have plans and specifications prepared for the construction of an addition to the present elementary school, and to bring forth these at a special school meeting.

The planning committee and school board had several meeting with John Holbrook, architect, to make the final plans. A great deal of thought went into these meetings.

The plans and specifications were drawn up and went out for bids. Bids were opened May 11, 1956. There were four bidders. The R. E. Bean Construction Co. Inc. of Keene, N. H. was low bidder. A special school meeting was held May 16, 1956 to bring forth the concrete facts regarding the new building. It was voted to go ahead with the building on the new addition as outlined at the meeting, at an indebtedness to the town of \$119,000.00

The committees met with R. E. Bean and Associates to go over the final specifications. At the close of this meeting the contract was signed by the school board and R. E. Bean Construction Co. of Keene, N. H., for them to be the contractors, with John Holbrook as architect. The bid from R. E. Bean Construction Co. was \$113,680.00.

The balance of the \$119,000.00 appropriated will be used for legal fees, builders insurance, balance of architect fees, moving of fire hydrant, and furnishings.

The bond issue was handled through the Merchants National Bank of Boston and sold on a bid basis June 7, 1956. W. E. Hutton & Co.—Lyons & Shafto Inc. were low bidders on the \$119,000.00 on a basis of 3% less a return of \$322.10 from premium \$123.76 and interest \$198.34.

At this time loan moneys were going up rapidly. Ours was

not purchased at the all year low, nevertheless is has turned out to be a fair average rate.

Construction on the new building started July 1, 1956 under the supervision of Stuart MacDougal as resident foreman. At all times the committees kept close supervision of the advancement on construction.

When the building was up to the second floor, a new resident foreman was put on the job—Linwood Ingram, who remained on the job through the completion of the building. The building went along as scheduled and was not delayed at all for want of materials or labor.

The carpenter strike during July in this locality, among the building contractors, affected progress on our building one day only.

Construction went along as scheduled and the building was completed January 25, 1957. I would like to say that plans, specifications and alternates were not changed at all during the entire construction of the building. The building was approved February 1, 1957 by both committees, school board and planning committee, and is now ready for use.

The contractor guarantees his materials and workmanship for one year after the building is accepted by the committees. The two story building is constructed of cinder blocks with brick veneer on exterior walls, with cinder block classroom partitions. In the interior, glazed block wainscoting runs along the corridor walls. Floors are of concrete with asphalt tile on the second floor and vinyl tile on the first floor. Window frames are aluminum with lateral strips of clear glass which open out. Above are glass block to reflect light into the room. Ceilings are of celotex with accoustical tile in the band room. Lighting is the most modern florescent design for school rooms. Heating is of the fin type radiation and each room individually controlled. A second boiler was installed for precautionary measures in the existing boiler room. The entire buildings can be heated with one boiler if necessary.

The building has six classrooms, an all purpose room that can be divided into two classrooms, band room and teachers' room. The entrance is under a 20' x 28' portico, designed for shelter from the weather, between the old and new section.

Each room has a different color scheme. Each class area has a sink and work counters, ventilated wardrobes and a toilet adjoining each room.

The addition covers 11,020 square feet of floor area and a cubic content of 137,050 cubic feet.

Plans are being made to move the first three grades into the new building during the February 16-24 vacation. February 25, 1957 classes will start in the new building.

The Junior High School will be moved to the top floor of the original elementary school building during the summer recess.

Landscaping around the building will be done this summer.

It has been a pleasure working with the architect John Holbrook, the contractor R. E. Bean Construction Co., and the sub-contractors:

George V. Corsiglia, Greenfield, Mass.—Heating & Plumbing.

Philip Moran, Keene, N. H.—Electrical work.

Rugg Mfg. Co., Greenfield, Mass.—Millwork and Cabinets.

Brattleboro Roofing Co., Brattleboro—Roofing and metal duct work.

Stephen Exel, Fitzwilliam, N. H.—Painting & Decorating.

We commend them on their extraordinary excellent work.

We have tried to do our best for the benefit of the people of Hinsdale. We feel the town has received a great deal for its dollars invested in the new addition to the elementary school, and should be very proud of such a fine school building for their children to receive their elementary education.

Respectfully submitted,

MR. ROLAND H. O'NEAL, Chairman

MR. PAUL V. CHAMBERLIN

REPORT OF THE ELEMENTARY SCHOOL LUNCH PROGRAM

This report marks the seventh year that the Hinsdale School Lunch Program has been operating. Type (A) lunches only were served during the year.

The Winchester Kiwanis Club should again be complimented for their monthly contribution for the use of our needy pupils.

The following is a summary of the financial report: June 30, 1955 to June 30, 1956.

Cash on hand June 30, 1956	\$365 44
Receipts:	
Cash received from lunches	\$9,713 97
Federal Reimbursement	1,925 19
Miscellaneous Contributions	163 31
	<hr/>
Total	\$11,802 47
Total cash on hand and receipts	\$12,167 91
Disbursements:	
Paid for food and milk	\$7,875 95
Paid for labor	2,843 94
Paid for equipment	188 28
Other expenses	291 84
	<hr/>
Total	\$11,200 01
Cash on hand June 30, 1956	967 90

Respectfully submitted,

ROBERT A. GIRARDIN,

Principal.

REPORT OF THE PRINCIPAL

To the Superintendent of Schools:

I herewith submit my fourth annual report as principal of the Hinsdale Schools.

With the increase in high school graduates seeking further educational opportunities it is gratifying to report six of last year's graduates are now attending college. Of this number, four were the recipients of scholarship aid in one form or another.

Several of the young men of this class are now meeting their military obligations in many different branches of our armed forces.

The guidance area of our school was successful in aiding in the procurement by several girls of last year's class, very lucrative and satisfying commercial positions, both here and in nearby communities.

Our elementary school has faced many problems especially during the early part of this past year. A growing pupil population, resulting in additional space needs plus additional teaching personnel is, as was projected one year ago, now with us. We are most fortunate this year in having met the need of new and added personnel with considerable success.

As a result of the changes and additions made, I now feel that our elementary school has advanced professionally to a high degree of efficiency. Problems that appeared unsurmountable have this present year been faced cooperatively and are being solved most satisfactorily. There exist problems of a remedial nature in nearly all subject-matter divisions. However, with the cooperative attitude that exists in our elementary plant today there is every reason to believe a successful solution will eventually result. I wish to commend, at this writing, the present elementary teachers and allied personnel for their splendid attitude of cooperation and loyalty to their respective tasks.

It has been most gratifying to note the support given our building needs within the elementary area. With the opening of the added room space it would appear that Hinsdale is well prepared, pending the effect on population growth by the installation of water and future business growth, to meet the elementary housing problem for a few years at least.

The high school housing problem is rapidly reaching an acute stage. Something constructive must be done in the near future at our high school level. Hinsdale cannot afford to lag behind other educational areas by ignoring this secondary problem. I do believe assistance of a financial nature must come from areas other than the property owner. The burden of school support on this area alone is exceedingly heavy and state or federal aid is fast approaching a "must."

An additional problem within our secondary areas is that of teacher employment and retention. That anyone should be unaware of this fact today is to be oblivious of the many factors affecting the field of education. Hinsdale, as a school system, is not unique in the problem of obtaining adequately trained and professionally minded secondary school teachers. That there actually exists a shortage of teachers in this area is definitely not a secret. Hinsdale is but one of literally hundreds of schools faced with this teacher employment problem. Considerable credit is due the School Board and yourself in meeting such current problems.

Reporting on Departments:

By regrouping and scheduling of smaller classes, both the Home Economics and Industrial Art, areas have been adjusted to provide a reduction in teacher load. A continuation of this policy should assist greatly in making such positions more inviting to teachers as well as providing an improvement in pupil-teacher supervision.

Our music area has again experienced a successful year. The band performed publicly on several occasions with remarkable success and apparent appreciation. This specialized area is being well supported through our instrumental teaching. At the present, three distinct bands are in existence. The "A" band with some fifty pupils taking part. The intermediate band at the high school and a very successful elemen-

tary school band is also functioning. The chorus produced a well attended Spring Concert and a most appropriate Christmas Concert. Both were well attended with the proceeds going to assist both schools in the furtherance of our music areas.

The Commercial Program is presently filled to capacity. This speaks well for the successful job placement for graduates of this area. We have been fortunate in having very competent teachers in this department.

Our Academic Program continues to present the ever-growing problems of class size. Classes in English have been divided to form two divisions. This poses problems of space and scheduling. The math and science areas have increased. General Mathematics and General Science were new courses introduced this year making possible a broader base of opportunity especially in our Freshman area. A larger number of pupils are pursuing the College Preparatory Program. We are advocating this be done by all who reveal sufficient aptitude for such study. I believe it essential that attention be called to the fact colleges, generally, are raising their standards for acceptance. The average grade of 85 is no longer sufficient to admit in most colleges and universities. It would appear imperative that with increasing enrollment, both at the high school and college level pupils be of a cooperative and studious nature while attending high school.

The extra-curricular areas have enjoyed considerable success this past year as is apparent in the awarding to Hinsdale the Greenfield Recorder Gazette trophy emblematic of Border League supremacy in sports. This trophy is awarded as a result of the combined efforts of both the girls and boys sports.

At the present writing it would appear that our present sport teams will again enjoy continued success. The boys basketball team is well on the way to a most enviable season.

Through the efforts of our newspaper reporters we have been afforded the opportunity of presenting a weekly report of the activities and happenings within our school area. I sincerely hope for the continuance and enlargement of this activity.

The social side of our school was carried on through social gatherings sponsored by each grade in school. The senior play

and several dramatic efforts at assemblies added to the breadth of our over-all program.

The Hinsdale Parent Teachers Association is to be commended for the several scholarships made possible through their united effort. It has been a personal pleasure to have worked with this organization and especially the P. T. A. Executive Board.

Our friendly and cooperative District Nurse, Miss Grais Churchill, has again devoted her untiring efforts to the many responsibilities that are hers in aiding the maintaining of good health among our pupils. With Dr. LaChaine, our school physician, our health personnel have given the usual physical examinations to all pupils both elementary and secondary.

The custodial cooperation has been excellent. The elementary building shows such little wear it is difficult to believe it has been in use almost seven years. The high school is most difficult to keep dust-free, however, it is kept in a remarkably clean condition.

I wish all parents could observe, as have I, the efficient and business-like safety check given our busses by our State Motor Department. Hinsdale is fortunate to have the bus service for our pupils we now enjoy.

The financial status of the School Activity Fund as of this date is as follows:

Class of 1957	\$1,207 48
Class of 1958	398 63
Class of 1959	237 60
Class of 1960	166 92
Class of 1961	25 52
Class of 1962	00 00
General Fund	291 83
Music Fund	286 75
Athletic Fund	145 06

In closing this, my fourth annual report, may I express a most sincere appreciation to the members of the School Board and to you for the continuous and loyal support given me and our educational system.

Too, may I extend my sincere appreciation to all who have

aided our schools throughout the year. It is this supporting interest by the fine people of Hinsdale that makes my position one so interesting and so pleasant.

Respectfully,

ROBERT A. GIRARDIN,

Principal.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Hinsdale:

I have the honor to submit my tenth annual report.

STAFF CHANGES: Seven teachers who taught in Hinsdale High School last year left our school system for positions elsewhere. Mr. Claude R. Dollar is teaching in Rhode Island this year, Mr. Charles R. Bloomfield in Townshend, Vermont, Mr. Herman S. Hill in Springfield, Vermont, Mrs. Diana Rocheleau in Troy, New Hampshire, Miss Elizabeth R. Raymond in Mendota, California, Miss Persis E. MacLeod in Claremont, New Hampshire, and Mr. John W. McMahon in Maine.

The new teachers in Hinsdale High School and their subjects are as follows:

Mr. Sheldon C. Holmes, Keene Teachers College, Industrial Arts.

Mr. Roger K. Weeks, Plymouth Teachers College, Music.

Mrs. Frances D. Lambert, Plymouth Teachers College, Commercial subjects.

Mrs. Amy T. Simpson, Keene Teachers College, Home Economics.

Mr. Victor L. Collette, Keene Teachers College, Junior high school subjects.

Mr. Gerard G. Vincent, Regis College, Denver, Colorado, English and Languages.

At the Elementary School, four of last year's teachers are no longer with us. They are Mrs. Loretta B. Westerlund, Mrs. Rosetta B. Lowe, Miss Patricia A. Lee and Mrs. Marion J. Powers. The untimely death of Mrs. Powers was a misfortune for Hinsdale. An excellent teacher and genuinely interested citizens of the town, she will be sorely missed.

The new teachers at the Elementary School are as follows:

Mr. David E. Costin, Jr., Keene Teachers College, grade 6.

Miss Winifred R. Clark, Marlboro College and Keene Teachers College, grade 4.

Mrs. Phyllis M. Fearon, Plymouth Teachers College, grade 4.

Mrs. Joanne M. Tenney, Castleton, Vt., Teachers College, grades 1 and 2.

Mrs. Marjorie F. Zavorotny, Keene Teachers College, grade 5.

BUILDINGS: As of the date of this writing, the addition to the elementary school building is almost completed. After acceptance by the school board and school planning committee, the addition will be ready for occupancy. This will be most welcome since we have crowded conditions at both of our schools at present.

Hinsdale's elementary school facilities should be adequate for some time to come unless there is a sudden large increase in Hinsdale's population. There will be relief for the high school building, also, when the seventh and eighth grades are removed to the elementary school.

The Hinsdale School Planning Committee and the Hinsdale School Board are to be congratulated and commended for a job well done. They have spent many hours on the elementary school project and the results are self evident.

ENROLLMENT TRENDS:

1966-67	49	52	49	41	191

In last year's report, it was mentioned that Hinsdale might wish to consider the possibility of a cooperative high school with such towns as Winchester, Swanzy, Richmond and possibly Chesterfield. The Hinsdale School Board and Hinsdale School Planning Committee have met with groups from Winchester, Swanzy and Richmond and the possibility of a cooperative high school being built in this area in the immediate future appears to be remote at the moment.

It would seem that Hinsdale will have time in which to consider what should be done in its high school situation. The final solution should be accomplished only after long and serious deliberation.

In conclusion, I wish to express my appreciation to the teachers, pupils and parents, the School Building Committee, the School Board and the patrons of our schools for their cooperation.

Respectfully submitted,

CHESTER C. LEES,

Superintendent of Schools.
